BOBBY KENNEDY

The Making of A Liberal Icon

We are privileged to welcome author Larry Tye to The Irish Heritage Center to discuss his new book *Bobby Kennedy: The Making of a Liberal Icon*. Larry will talk about Bobby's 1968 campaign which was all about building bridges – between blacks, Hispanics and blue-collar whites, old and young, poor and rich – in contrast to this year's campaign of divisiveness. He will also examine Bobby's evolution over the course of his extraordinary career of public service.

Larry Tye has been an award-winning journalist at *The Boston Globe* and a Nieman Fellow at Harvard University. He is the author of the *New York Times* bestseller *Satchel*, as well as *Superman*, *The Father of Spin*, *Home Lands*, and *Rising from the Rails*.
